REMARKS

A Notice of Appeal is being filed concurrent with this amendment. Entry of this amendment should simplify issues on appeal. The examiner is requested to enter the amendment. Because there were two attempts to add Fig. 6 and its description (in the amendment filed 02/20/2002 and the amendment filed 10/09/2002), the examiner is requested to delete both occurrences if the amendments above are not sufficient.

Should any unresolved issue remain, the examiner is invited to call applicant's attorney at the telephone number indicated below.

Respectfully submitted,
